I N D U S T R Y  
D I R E C T O R Y

This directory was prepared by the Economic Development department of the Greater Omaha Chamber of Commerce. The purpose of this directory is to provide companies a convenient listing of resources.

Care has been taken in compilation to make this directory as complete and accurate as possible. Although information in the Defense Industry Directory has been carefully verified, the Greater Omaha Chamber of Commerce does not assume responsibility for inaccuracies or errors of omission. The Chamber does not intend listings in this directory to be construed as endorsements or recommendations of the particular companies or services listed. Any Department of Defense service providers located in the Greater Omaha area and not listed in this directory should contact the Greater Omaha Chamber of Commerce to provide information for inclusion in subsequent editions.

Greater Omaha Chamber of Commerce | 1301 Harney Street | Omaha, NE 68102

**21<sup>st</sup> Century Systems Inc.**

David Andersen | david.andersen@21csi.com | 402-505-7884  
6825 Pine Street, Suite 141  
Omaha Nebraska 68106  
www.21csi.com

21st Century Systems, Inc. specializes in designing, developing and fielding agent-based decision support systems for time- and mission-critical applications within the Department of Defense community.

**Aero Thermo Technology, Inc.**

Charley Pugsley | pugsleyr@stratcom.mil | 402-294-1656  
920 North 143rd Circle  
Omaha, NE 68154-5185  
www.aerothermo.com

Aero Thermo Technology is a woman-owned small business specializing in engineering services, systems engineering and requirements derivation, flight dynamics and engagement simulation, multi-disciplinary design and requirements optimization, acquisition and program management, ballistic missile technology development, tailored defense studies and analyses, and arms control and nuclear policy support.

**All Native Systems (ANS)**

Jake Moore | jmoore@allnativesystems.com | 402-614-4334  
1406 Fort Crook Road South, Suite 300  
Bellevue Nebraska 68005  
www.allnativesystems.com

All Native Systems is an SBA 8(a) certified and a provider of Managed Information Technology Services, Professional Services and complete voice and data communication solutions. ANS has a history of providing superior service to a diverse customer base that includes Federal, Educational, and Commercial clients. ANS is backed by the strong corporate backbone of Ho-Chunk, Inc., the award winning economic development entity wholly owned by the Winnebago Tribe of Nebraska.

**ARINC Engineering Services, LLC**

Jake Warner | jwarner@arinc.com | 402-292-3113  
1406 Fort Crook Road, Suite 400  
Bellevue, NE 68005  
www.arinc.com

ARINC provides systems engineering and integration solutions to the government and industry. They also develop and operate communications and information processing systems for the aviation and travel industries.

### **ATK**

Richard Holdcroft | richard.holdcroft@atk.com | 402-964-2434  
3906 Raynor Parkway, Suite 302  
Bellevue, NE 68123  
www.atk.com

ATK is a leading provider of advanced weapon and space systems with \$3.4 billion in annual sales, approximately 15,000 employees, and operations in 22 states. The company is the world's leading supplier of solid rocket motors and the nation's largest manufacturer of ammunition.

### **BAE Systems**

Bob Condrey | bob.condrey@baesystems.com | 402-827-5825  
1410 Wall Street  
Bellevue, NE 68005  
www.baesystems.com

BAE Systems is an international company engaged in the development, delivery and support of advanced defense and aerospace systems in the air, on land, at sea and in space. BAE Systems designs, manufactures, and supports military aircraft, surface ships, submarines, space systems, radar, avionics, C4ISR, electronic systems, guided weapons and a range of other defense products, many of these with international partners. Key skills include systems integration, complex software and hardware development and advanced manufacturing.

### **Boeing Integrated Defense Systems**

Douglas Mang | douglas.k.mang@Boeing.com | 402-348-1840  
1299 Farnam Street, Suite 940  
Omaha, NE 68102  
www.boeing.com

The Boeing Company is currently the world's largest producer of commercial aircraft, as well as a prime defense and aerospace contractor. The company's defense-related research and development activities include guided missile programs, ICBMs, bomber aircraft, military transport aircraft, and space and lunar vehicles. The Boeing Nebraska team provides logistics support for E-4B operated by the 55th wing at Offutt AFB, technical support to the Alternate Warning Center, training services for Airborne Launch Control System and development support of USSTRATCOM mission solutions. In the past year, company and employee contributions of cash, surplus and in-kind services to Nebraska communities totaled more than \$38,000.

**Booz Allen Hamilton**

Bryan Quint | quint\_skip@bah.com | 402-323-2062  
1299 Farnam Street, Suite 1230  
Omaha, NE 68102  
www.boozallen.com

Booz Allen Hamilton is a global strategy and technology consulting firm. They provide services to the world's leading corporations, government and other public agencies, emerging growth companies, and institutions. Booz Allen Hamilton's major areas of expertise include strategy and leadership, organization and change management, operations, innovation, sales and marketing and information technology.

1823 Harney Street  
Omaha, NE 68102  
www.caci.com

CACI International Inc provides the IT and network solutions from systems integration and managed network solutions to knowledge management, engineering, simulation, and information assurance. CACI is a member of the Fortune 1000 Largest Companies of 2007 and the Russell 1000 index. CACI provides careers for approximately 10,000 employees working in over 120 offices in the U.S. and Europe.

**Cisco Systems**

Link Lavey | llavey@cisco.com | 612-845-8011  
8510 Hidden Bay Trail North  
Lake Elmo, MN 55128  
www.cisco.com

Cisco Systems supports U.S. defense, civilian and intelligence agencies with the development, deployment and maintenance of integrated end-to-end, enterprise network solutions.

**Client/Server Software Solutions (CSSS)**

Lisa Wolford | lisa@csss.net | 402-393-8059  
3906 Raynor Parkway, Suite 201  
Bellevue, NE 68123  
www.csss.net

CSSS is a Small Business Administration certified 8(a) small disadvantaged business (SDB), woman owned business (WOB), service disabled veteran owned small business (SDVOSB) firm. They provide fully integrated solutions spanning all aspects of application and networking systems, development life cycles, including planning, design, building, programming, testing, implementation, documentation and maintenance.

**Computer Sciences Corporation (CSC)**

Chris Bartram | cbartram@csc.com | 402-827-6812  
408 Galvin Road North  
Bellevue, NE 68005  
www.csc.com

CSC is a leading global IT services company. CSC's mission is to provide customers in industry and government with solutions crafted to meet their specific challenges and enable them to profit from the advanced use of technology.

**Data Power Technology, Inc.**

Greg Grasso | ggrasso@datpower.com | 402-592-7860  
4308 South 89<sup>th</sup> Street  
Omaha, NE 68127  
www.datpowertechnology.com

**EDO Technical Services Operations**

Denny Haun | dhaun@edotso.com | 402-292-9747  
1510 Wall Street, Suite 222  
Bellevue, NE 68005  
www.compupsupport.com

EDO is an ISO registered firm. They utilize approved processes and procedures that they have developed for all aspects of a client's help desk operation to ensure consistent quality and efficient trouble resolution. They design specific Service Level Agreement's (SLA) in order to provide quality technical support. EDO improves customer service and lowers technical support costs.

**Electronic Data Systems (EDS)**

Todd Andreasen | todd.andreasen@dfas.mil | 402-232-4444  
901 SAC Boulevard, Suite 3B21  
Offutt AFB, NE 68113  
www.eds.com

EDS is a leading global technology services company who founded the information technology outsourcing industry more than 40 years ago. EDS specializes in information technology and business process outsourcing services to clients in the manufacturing, financial services, healthcare, communications, energy, transportation and consumer and retail industries to governments around the world.

**Ellason Weather Radar, Inc.**

Don LaPoint | dlapoint@ewradar.com | 314-821-1022, ext. 14  
336 Leffingwell, Suite 112  
Kirkwood, MO 63122

Centrally based in St. Louis, Missouri, EWR is the leader in tactical weather radar systems. EWR has earned a reputation as the primary supplier of tactical, X band weather radar systems to the U.S. Military since 1989. There systems are also in use with corporate clients as well as disaster preparedness and emergency response teams throughout the world.

**Ernst International**

William Ernst | bill.ernst1@cox.net | 402-292-8597  
410 Greenbriar Court  
Bellevue, NE 68005

Ernst International is a small consulting business that consults in travel arrangements (aperiodically), communications, command, control communications and computers, as well as intelligence, surveillance, and reconnaissance platforms and capabilities.

**FGM, Inc.**

Christopher Dunbar | dunbar@fgm.com | 402-294-4083  
7126 N 121<sup>st</sup> Street  
Omaha, NE 68142  
www.fgm.com

FGM, Inc. is an information technology company delivering sophisticated, customized solutions that improve business. As a partner of the Department of Defense, U.S. Government civilian and international agencies, and businesses throughout the world, FGM is a provider of technical solutions that enable mission-critical operations and decision-making. Their information technology transformation services focus on architecture, information management, systems integration and integrated solutions.

**General Dynamics Advanced Information Systems**

1500 Wall Street, Suite 100  
Bellevue, NE 68005  
www.gd-ais.com

General Dynamics Advanced Information Systems designs, develops, manufactures, and integrates information solutions for defense, intelligence and homeland security.

**Greater Omaha Chamber of Commerce**

Ned Holmes | nholmes@omahachamber.org | 402-978-7946  
1301 Harney Street  
Omaha, NE 68102  
www.omahachamber.org

The catalyst organization that ensures Greater Omaha is a vibrant place to live, work and enjoy, the Chamber promotes commercial growth and provides a unifying voice for the business community.

**Harris Corporation**

Larry Robbins | larry.robbsins@harris.com | 402-293-3480  
301 Washington Street  
Bellevue, NE 68005  
www.harris.com

Harris Corporation is an international communications and information technology company serving government and commercial markets in more than 150 countries. The company's operating divisions serve markets for government communications, RF communications, broadcast communications, and microwave communications.

**IBM Corporation**

Bill Gess | 402-399-4439  
8807 Indian Hills, Suite 200  
Omaha, NE 68114

IBM U.S. Federal provides information technology solutions, consulting, research and development, services and products for the U.S. government and U.S. contractors throughout the world.

**Intersoft Technologies, Inc.**

James Wagner | mic206@cox.net | 402-291-8324  
206 Lorraine Drive  
Bellevue, NE 68005

Intersoft Technologies is a parent corporation for IST and Mr. Nostalgia, which are both Nebraska Trademarks. They are also a parent corporation for Performerusa, which is a national trademark.

### **ITT Aerospace/Communications Division (A/CD)**

Keith Maciorowski | keithmaciorowski.ctr@offutt.af.mil | 402-294-6412  
201 Lincoln Highway, Suite 180  
Offutt AFB, NE 68113  
www.acd.itt.com

ITT Industries Aerospace/Communications Division is a world leader in developing wireless networking systems for tactical communications. A/CD is the creator of the core technology used in the world's two largest tactical digitization programs the U.S., the Tactical Internet and the U.K. BOWMAN program. That technology has created a family of interconnected programs including SINCGARS, Advanced Digital Radio Plus (ADR+), the Advanced Tactical Communications Systems (ATCS), the Mercury Wideband Networking Radio (WNR) and the Spearhead handheld radio. A/CD is also the provider for America's newest ground to air radios used by the Federal Aviation Administration (FAA).

### **L3 Titan**

Michael J. Cook | Michael.Cook@offutt.af.mil | 402-232-8044  
105 West Washington Square  
Offutt AFB, NE 68113  
www.l-3com.com

L3 Communications is a leading merchant supplier of secure communications technology, training and simulation, microwave components, avionics, ocean products and telemetry, instrumentation, space and wireless products. They serve the Department of Defense, selected government agencies, aerospace and defense prime contractors and telecommunications and cellular customers.

### **Lockheed Martin Corporation**

Jim Mueller | jim.mueller@lmco.com | 402-291-0580  
1510 Wall Street, Suite 220  
Bellevue, NE 68005  
www.lockheedmartin.com

Headquartered in Bethesda, Maryland, Lockheed Martin employs about 135,000 people worldwide and is principally engaged in the research, design, development, manufacture and integration of advanced technology systems, products and services. As a lead systems integrator and information technology company, nearly 80% of Lockheed Martin's business is with the U.S. Department of Defense and the U.S. federal government agencies. In fact, Lockheed Martin is the largest provider of IT services, systems integration, and training to the U.S. Government. The remaining portion of Lockheed Martin's business is comprised of international government and some commercial sales of their products, services and platforms.

**Lovgren Marketing Group**

Linda Lovgren | Chairperson of the Greater Omaha Chamber of Commerce Military Advisory Group | [lovgren@lovgren.com](mailto:lovgren@lovgren.com) | 402-397-7158  
809 North 96<sup>th</sup> Street  
Omaha, NE 68114  
[www.lovgren.com](http://www.lovgren.com)

1320 Galvin Road South  
Bellevue, NE 68005  
[www.mslco.com](http://www.mslco.com)

MSL provides full lifecycle software engineering, systems engineering and enterprise architecture services and solutions for the Department of Defense and commercial markets, which include Department of Defense domain knowledge in satellite and radar systems and C4 modernization, advanced R&D and technology insertion to mitigate risk and reduce cost, cost-effective and innovative solutions for complex legacy systems.

**McCallie Associates, Inc.**

Dave Everhart | [Dave.Everhart@mccallie.com](mailto:Dave.Everhart@mccallie.com) | 402-291-2203 x216  
3906 Raynor Parkway, Suite 200  
Bellevue, NE 68123  
[www.mccallie.com](http://www.mccallie.com)

McCallie Associates, Inc. is an information technology and operational support service provider to the Department of Defense and commercial customers. McCallie specializes in Information Technology Systems Architecture and Engineering, Software Engineering and Programming, Network Systems Operations and Maintenance - Including Help Desk, Data and Business Process Modeling and Information Management, Operational Support to the Department of Defense across a broad spectrum of Command, Control, Communications, Computers, Intelligence, Surveillance, and Reconnaissance (C4ISR) competencies.

### **MTC Technologies**

Ricky Carter | ricky.carter@mtctechnologies.com | 402-291-1221  
1406 Fort Crook Road South, Suite 175  
Bellevue, NE 68005  
www.mtctechnologies.com

MTC provides a wide range of sophisticated system engineering, intelligence, information technology, and program management solutions, primarily to the Department of Defense and various intelligence agencies.

### **Multi-Option Systems, Inc. (MOSI)**

Christy Carpino | ccarpino@mosi.com | 402-431-8000 x203  
11820 Nicholas Street, Suite 100  
Omaha, NE 68154  
www.mosi.com

MOSI specializes in designing and developing software, databases, and web sites. MOSI has customers from coast to coast, but focuses its marketing efforts on Nebraska, Iowa and South Dakota opportunities. MOSI has an extensive list of clients in an array of industries and prides itself on its support of many non-profit organizations in the regional community.

### **NCI Information Systems, Inc.**

HQ USSTRATCOM/J6632 | 402-294-2634  
901 SAC Boulevard, Suite 2B10  
Offutt AFB, NE 68113  
www.nciinc.com

NCI Information Systems, Inc. is a leading information technology, systems engineering and integration company that has 50 locations and over 1,400 employees worldwide. Their broad range of core competencies includes enterprise systems management, information assurance, network engineering and systems development and integration.

### **Northrop Grumman Corporation**

David Marsala | david.marsala@ngc.com | 402-682-4644  
3200 Samson Way  
Bellevue, NE 68123  
www.ngc.com

Northrop Grumman Corporation provides technologically advanced, innovative products, services and solutions in systems integration, defense electronics, information technology, advanced aircraft, shipbuilding and space technology. Northrop Grumman serves U.S. and international military, government and commercial customers. Locally, Northrop Grumman is the largest defense contractor in Nebraska, supporting USSTRATCOM, Air Force Weather Agency, and the 55th Wing.

**Ocean Systems Engineering Corporation (OSEC)**

Nancy Crews | ncrews@osec.com | 402-554-4747  
6825 Pine Street  
Omaha, NE 68106  
www.osec.com

Ocean Systems Engineering Corporation provides a number of services for the U.S. military, including engineering and integration, network design and integration, system design and development, custom software development, and training.

**QA Technologies**

Chuck Snyder | chuck\_snyder@qat.com | 402-391-9200  
222 South 15<sup>th</sup> Street, Suite 1404  
Omaha, NE 68102  
www.qat.com

QA Technologies is a leading global services and products provider specializing in the use of application delivery technologies ranging across Java (J2SE & J2EE), .NET, Web services, SOA, and 4GL solutions.

**Raytheon Systems Company**

Thomas A. (Tom) O' Riordan | Thomas\_A\_ORiordan@raytheon.com | 402-293-2900  
6825 Pine Street, Suite 338, MS B5  
Omaha, NE 68106  
www.raytheon.com

Raytheon is a global defense contractor specializing in intelligence and information systems, net-centric operations, missile defense, missiles, space and airborne sensors and aviation.

**S4, Incorporated**

John Goss | john.goss@s4inc.com | 402-968-3350  
1309 Harlan Drive, Suite 100  
Bellevue, NE 68005  
www.s4inc.com

S4 Inc. is a minority-owned company, with 8(a) certification and provides a full range of mission-critical support services to Federal and State clients, including support for: business, program, administrative, and financial management, as well as information technology (IT) and engineering services.

**Science Applications International Corporation (SAIC)**

Al Buckles | bucklesa@saic.com | 402-554-4730  
6825 Pine Street, MS B-10  
Bellevue, NE 68006  
www.saic.com

SAIC, a Fortune 500 company, ranks as the largest employee-owned research and engineering firm in the United States. Founded by J. Robert Beyster, Ph.D., and a small group of scientists in 1969, SAIC and its subsidiaries now have more than 44,000 employees with offices in over 150 cities worldwide. They are a leading provider of scientific, engineering, systems integration and technical services and products to all branches of the U.S. military, agencies of the U.S. Department of Defense (DoD), the intelligence community, the U.S. Department of Homeland Security (DHS) and other U.S. Government civil agencies, as well as to customers in selected commercial markets.

**SCITOR**

Frank Gallegos | fgallegos@scitor.com | 402-232-4084  
2203 Harvell Drive  
Bellevue, NE 68005  
www.scitor.com

SCITOR specializes in systems engineering, information technology and program management.

**Serrano IT Services, LLC (SITS)**

Al Serrano | Al.serrano@serranoits.com | 402-991-0018  
1502 J F Kennedy Drive, Suite 1A  
Bellevue, NE 68005  
www.serranoits.com

Serrano IT Services, LLC is a Service Disabled Veteran Owned (SDVO) Small Business Concern (SBC) specializing in information technology solutions for federal and state governments. Their capabilities include systems integration, systems engineering, network systems, software engineering and weather systems.

**Shape Technologies, LLC**

Buddy Gilmore | HR@shapetechllc.com  
901 SAC Boulevard  
Offutt AFB, NE 68133  
www.shapetechllc.com

Shape Technologies LLC (ShapeTech) is a small-business, veteran-owned company that provides information technology (IT) services and engineering solutions. ShapeTech delivers a full range of IT services and end-to-end solutions to the public and private sectors. They currently support a variety of Department of Defense projects from Missile Defense to Homeland Security. Headquartered in Colorado Springs, Colorado, ShapeTech has clients across the United States, including Omaha, Nebraska; Washington, D.C., Hampton, Virginia and Honolulu, Hawaii.

**SI International, Inc.**

Tim Emrick | tim.emrick@si-intl.com | 719-235-4401  
1309 Harlan Drive, Suite 201  
Bellevue, NE 68005  
www.si-intl.com

SI International is a provider of information technology and network solutions (IT) primarily to the federal government. The Company defines, designs, builds, deploys and operates mission-critical solutions for the Department of Defense and Federal Civilian agencies. Their eight specialized practice areas are software development, systems engineering, systems consulting, eSolutions, mission-critical outsourcing, information security, learning solutions, and network solutions.

**Software Engineering Services (SES)**

Sonny Ashford | sashford@sessolutions.com | 402-292-8660  
1311 Fort Crook Road South  
Bellevue, NE 68005  
www.sessolutions.com

Software Engineering Services is a national, process-oriented Information Technology (IT) Small Business Administration (SBA) 8(a)/Small Disadvantaged Business (SDB). SES specializes in IT project management, requirements analysis, product development, system assurance, testing, suitability, quality control, configuration management, process improvements and process engineering capabilities.

**SPARTA, Inc.**

Rick Hurtz | rick.hurtz@sparta.com | 402-614-3706  
2203 Harvell Plaza  
Bellevue, NE 68005  
www.sparta.com

SPARTA, Inc. is a systems engineering and advanced technology company. SPARTA primarily provides engineering services to the defense, intelligence and homeland security sectors of the federal government.

**Spiral Solutions and Technologies, Inc.**

James Gapinski | james.gapinski@ssandtech.com | 402-505-7941  
6825 Pine Street A-3  
Omaha, NE 68106  
www.ssandtech.com

**SRA International**

Steve Synnott | Steve\_Synnott@sra.com | 402-216-9830  
3313 Blackhawk Drive  
Bellevue, NE 68123  
www.sra.com

SRA International is a provider of technology and strategic consulting services and solutions - including systems design, development and integration; and outsourcing and managed services - to clients in national security, civil government, and health care and public health. The Company's business solutions include business intelligence (text and data mining), contingency and disaster response planning, information assurance, environmental strategies, enterprise architecture, infrastructure management and wireless integration.

**Sterling Computers**

Jeff Moore | Jeff@sterlingcomputers.com | 402-333-1243  
6825 Pine Street, Suite 352, MS B1  
Omaha, NE 68106  
www.sterlingcomputers.com

Sterling Computers is a certified small, minority, woman-owned, 8 (a) business. They specialize in performance management, desktop management, systems management, server management and router/switch management.

**Sumaria Systems, Inc.**

Robert Hauser | rhauser@sumaria.com | 402-291-8683  
1309 Harlan Drive, Suite 101  
Bellevue, NE 68005  
www.sumariasystems.com

Sumaria Systems, Inc. is an ISO certified and CMM Level III assessed Technology and Professional Services defense contractor. Sumaria provides comprehensive IT and professional services, including systems and software engineering, analysis, design, development, integration, installation, training, testing and maintenance to meet clients' diverse IT needs.

**Sun Microsystems, Inc.**

402-492-4017  
11516 Miracle Hills Drive, Suite 101  
Omaha, NE 68154  
www.sun.com

Sun Microsystems is a global supplier of network computing solutions.

**Sy Coleman**

Phil Wojtalewicz | PWojtalewicz@sycs.com | 402-614-3706  
2203 Harvell Plaza  
Bellevue, NE 68005  
www.sycoleman.com

Sy Coleman is a wholly owned subsidiary of L-3 Communications (NYSE: LLL). They provide high quality support services to clients in both the Department of Defense (DoD) and commercial sectors from several locations throughout the United States, Iraq and Puerto Rico.

**Teledyne Brown Engineering**

Danny Mason | danny.mason@tbe.com | 402-980-3382  
P.O. Box 461001  
Papillion, NE 68046  
www.tbe.com

Teledyne Brown Engineering provides innovative and proven systems engineering, advanced technology application, software development, and manufacturing solutions to space, military, environmental and missile defense requirements. Their products and services center on protecting America, expanding national interests in space, and improving environmental safety.

**TEKsystems**

Galen Helton | ghelton@teksystems.com | 402-997-7647  
310 Regency Parkway, Suite 110  
Omaha, NE 68114  
www.teksystems.com

TEKsystems is one of the nation's largest single source providers of information technology and communications staffing and services. TEKsystems specializes in staffing, team, and workforce management and component services.

**TMS Design Services, Inc.**

Chris Peabody | cpeabody@tmsservices.com | 402-592-0600  
7905 L Street, Suite 110  
Omaha, NE 68127  
www.tmsservices.com

TMS Design Services, Inc. is the world leader of ATM (Automated Teller Machines) products. TMS offers governmental contracting, engineering staffing, IT staffing and medical staffing and placement.

**Unisys**

Julie Grosse-Rhode | julie.grosse-rhode@unisys.com | 402-501-8638  
4780 S. 131st Street, Suite 13  
Omaha, NE 68137  
www.unisys.com

Unisys is an expert in consulting, system integration, outsourcing, infrastructure and server technology.

**URS Corporation**

402-334-8181  
12120 Shamrock Plaza, Suite 300  
Omaha, NE 68154  
www.urscorp.com

URS is the largest global engineering design firm and a leading U.S. federal government contractor providing a comprehensive range of professional planning, design, systems engineering and technical assistance, program and construction management, and operations and maintenance services.

**V3 Technology Solutions, Inc.**

402-933-6118  
7552 South 84<sup>th</sup> Street  
La Vista, NE 68128  
www.v3tsi.com

V3 Technology Solutions, Inc. provides: computer network design and installation; remote data backup and recovery; complete support services for new and existing computer environments. V3 TSI. also provides Public and Private Wireless Broadband access.

**Vanguard Research, Inc.**

402-291-3475  
1508 J F Kennedy Drive, Suite 203  
Bellevue, NE 68005  
www.vriusa.com

Vanguard Research, Inc. offers solutions in information technology, modeling and simulation, systems design, analysis, and service, project management and analysis, and applied science for virtually any industrial, commercial or government organization.
